

INCREASE YOUR DONATION FOR FREE!

You can easily increase your donation to **No Wooden Nickels** at no additional expense to you by having your employer match it! Employer donation matching is a process by which employers match your donation, up to a limit determined by your employer, to the organization of your choice.

After making a donation, simply complete the donation matching form provided by your employer and send it to **No Wooden Nickels**. We will contact your employer to verify that you have made a donation and then your employer sends the matching funds to **No Wooden Nickels**.

If you are unsure whether your employer offers donation matching, contact your supervisor or human resources representative for information. For your convenience, we have compiled the following list of employers that offer donation matching programs:
